Upcoming Events

June 11th-13th

Canine Cannonball-Dog Days Bar and Grill Osage Beach, Mo

This fun-filled event is fast approaching! Pre-registration ends on June 8th, so to save \$5 on registration you need to register by then. There will be an inter-club challenge to raise money for Chase Away K9 Cancer. So make sure you have your club gear on when you are on the dock! To pre-register, visit the following link [here](#).

Also, in just a few weeks pre-registration will open for our local club events in July, the Lincoln County Fair and the St. Charles County Fair.

Cannonball will be the first outdoor event for our club of the year, so we hope to see everyone there!

Volunteer and get a chance to get a free wave!

At our up-coming club events, Gateway Dockdog members can volunteer their time by working at our events and earn credit towards free waves at our club events through our Gold Card program. We need help with set, tear down, selling merchandise, and wrangling during waves.

Stay tuned because as these events get closer, we will put out a volunteer schedule!

Club Changes

Recently, there have been some changes within the board for the club. For personal reason, Julie Cook has stepped down from the role of President and has assumed the role of Past President. The board then took a unanimous vote and Stephanie Reid was voted in to the role as President. Congratulations to Stephanie on her new role within the club! Also, the Cooks will still be around, so we will still be seeing them at all of the events during the season. We really want to

thank Julie for all of her hard work and dedication in making the club, what it is today. Thanks Julie!!

This means that there is an opening on the board for a Secretary. If you know someone who or you yourself would like to take on the role of Secretary, please email gatewaydockdogs@gmail.com to submit your nominations, and to get more info on the duties to be performed by the secretary.

Stay tuned for more information from the club! Also, summer heat is fast approaching, if not already here, so when your out and about with your dog, don't forget to make sure they have plenty of fresh water and adequate shade so the stay cool. And don't forget about yourself!

Keep cool and have fun this summer,

Stephanie Reid, President
Amy Cornell, Vice-President
Julie Cook, Past President
Melissa Stecker, Treasurer
Doug Hick, Administrative
Matt Burke, Board Member
